The Present

1. Amazing Results Group (ARG) is growing its current coach base to 75 coaches located in all major capital cities of Australia and has access to another 25 coaches in its Asia-Pacific regional network.
2. ARG is growing its current business-mentor base to 35 available across all major capital cities of Australia and has access to another 15 business-mentors in its Asia-Pacific regional network.
3. ARG operates across the Australian, New Zealand, Asia, Europe and USA markets.
4. ARG offers a range of world-class professional executive coaches and business mentors. It is a requirement that strict professional standards are achieved and maintained, refresher training is undertaken and a code of conduct observed.
5. All executive-coaching programs are highly personalised in a range of delivery formats tailored to the clients needs: phone, face-to-face and workshops.
6. All business-mentoring programs are face-to-face and designed around the daily pressures, strategic thinking and improvement to bottom-line results required by today's executives and board. For high impact a two-day Sanctuary is also offered to fast-track mentor/mentee cohesion.

7. ARG delivers coaching services that will dramatically improve performance and therefore impacts significantly on the results both the client and organisation achieves.
8. ARG delivers business-mentoring by current and former senior business executives and company directors whose value to clients is immediate, direct and completely confidential.
9. ARG certified coaches have to demonstrate a minimum of 300 hours of documented coaching experience; have graduated from a formal coaching program, have significant industry experience, an area of specialisation, and several letters of recommendation from clients prior to being certified and invited to join the Amazing Results Coaching team.
10. ARG certified business-mentors have to been a national or international CEO, company director or equivalent for up to 10 years, currently involved in enterprise, to have undertaken a two-day training course in mentoring and of high integrity.
11. ARG supports all coaches and mentors with an extensive library of thought-leadership materials, tools and instruments, technique demonstration examples - over 500 individual items. The master library is also offered to clients.
12. ARG also provides education materials, instruments and other texts for learning and knowledge acquisition through its Online Shop <http://www.argroup.com.au/online-shop/>

The Future

1. ARG plans to offer a free monthly electronic newsletter available via subscription at our website <http://www.argroup.com.au>
2. Currently ARG has offices in Sydney, Melbourne, Brisbane and Perth; and works with a mixture of National and International clients.

The Noteworthy

1. ARG differentiates itself from other professional development firms by offering executive-coaching and business-mentoring services as a continuous line of improvement. The company does this through specialist programs such as Executive On-Boarding, 90-Day Strategy Programs, Emerging Talent Programs, 120-Day CEO Mentoring Programs, and a significant range of exclusive mentorship training programs for executives and business owners.
2. ARG revenue and client base is currently growing at 50% per annum.
3. ARG offers an extensive, content-rich website for its coaches, mentors and clients.
4. ARG offers a free e-book for Senior Executives, entitled "Executive Career Success" and "The Executive Candidate Survival Guide.
5. ARG offers Australia's only complete corporate training in mentorship for executives titled, The Art of the Business Mentor. This two-day intensive course has been provided to over 240 top-line executives.
